### DUG HIS OWN GRAVE.

Pennsylvanian Erected Tombstone on Which Epitaph Was Written. Hanover, Pa., May II.—Jacob Gettinger, who died at Sandyville, aged Si years, was buried in a grave dug by his own hands. Several years ago he secured a lot in the cemetery and dug and walled up a grave and erected tombstenes upon which an epitaph, his name and date of birth were inserthed.

### SNAKE ON PAVEMENT.

Large Copperhead Was Discovered in Front of First M. E. Church. York, Pa., May 17.—A large copperhead snake was discovered crawing on the pave-ment in front of the First Methodist Church, only two blocks from Center Square.

Combination and Concentration
Is the order of the day, and to be successful one must be expert. We may not be "up" on airships, but we do know how to so combine the best paint materials as to obtain the best results. Don't think that any old paint will do. Poor paint is false economy. We have a GOOD paint for every purpose. Platt & Thornburgh Paint Company, 629 Franklin avenue.

### OPPOSES EXCHANGE OF STOCK FOR BONDS

Open Letter From John Trebane of England to Directors of Steel Corporation.

Holders of preferred stock in the United States Steel Corporation who live in Europe and England either oppose or ask delay of the proposed conversion of \$200,000,000 of the the proposed conversion of \$200,000,000 of the proposed stock into bonds. The proposition, in the understanding of the English captaintees in Hot Springs.

S. Ament and O. H. Applegate, traveling men of St. Louis, were at the Great Northern Hotel Sunday. In an open letter to the directors of the Steel Corporation John Trehane of Lon-Mr. and Mrs. N. L. Mayo and son of Claren-don, Ark. sre visiting friends in Hot Springs. W. S. Raiston. Robert E. Eyan and A. A. Hauck of St. Louis are among this week's visit-ors at the Waukesha.

new properties, and 340,09,000 for improvements of present properties.

The second part of the proposition in voives the exchange of stock for bonds Mr. Trehane, in his letter to the directors does not oppose the former, but condemns the latter as bad financia, bolles. For each

GEN. JAMES H. COATES DEAD. Funeral of Civil War Veteran

Takes Place To Morrow.

General James H. Coates died at his home.
No. 2279 Watson road, Friday evening, of pneumonia, after a short illness. He was appointed a Captain in the Eleventh Illinois Infantry by the late Governor Richard Yates in April. 1861. He served with that regiment until it was mustered out in the fall of 1865, participating in many battles. He was promoted to Major, Lieutenant Colonel and Colonel of his regiment, and when mustered out was commissioned as Brevet Brigadler General by President Johnson for gallant and meritorious service during the war. He was the fourth Colonel of the Eleventh Illinois Infantry. The first was General W. H. L. Wallace, killed at Shiloh while commanding a division; T. E. G. Ransom (for whom Ransom Post of this city is named) was the second, and General Nevier, killed in Sherman's assault on Vicksburg, was the third.

The funeral will take place to-morrow afternoon from his late residence, and the burial will be at Jefferson Barracks, under the auspices of Ransom Post, of which he was a member. Takes Place To-Morrow.

to your life.

HOW TO HAVE A GOOD WIND. Hunters invariably withhold meat from their dogs, feeding them upon dry bread, their dogs, feeding them upon dry bread, cornmeal and similar foods. When asked the reason for confining hunting dogs to such a diet, an experienced huntsman replied: "Mear spoils their wind and blurts their keen scent." Dr. Baeltn, a German physician, practicing in Japan, observed the same thing with reference to Japanese runners. The coolles who carried him lived on rice and beans. He gave them beefsteak. After three days they refused it, declaring it made them tired. The boxt of all muscle-feeding foods is Tonsted Wheat Flakes, aweetened with Mait Honey, made by Battle Creek Sanitarium Food Company. Each crisp delicately browned flake represents a flattened wheat grain thoroughly dextrinized through cooking and toasting. It contains all the muscle-build-ne qualities is amostizing and inmediately
